- bullet list
- bullet list

1. number list
2. number list

- ☐ check list
- ☐ check list
- ☒ default checked list

links to [websites](#) or internal pages

Possibility to use footnotes ¹

include sections from other pages.. referencing Customers > Preparing for winter > Check water shutoff valve > bullet list only

- Call the City of Ottawa at 613-555-0123 to have them come out and lower the head
- If the City of Ottawa is unable to help you can:
 - put a block of wood on top of the head and hit it with a hammer yourself
 - Send an e-mail to blah@blah.com to have one of our team members come by and do it for you

Table	Header
With	Rows

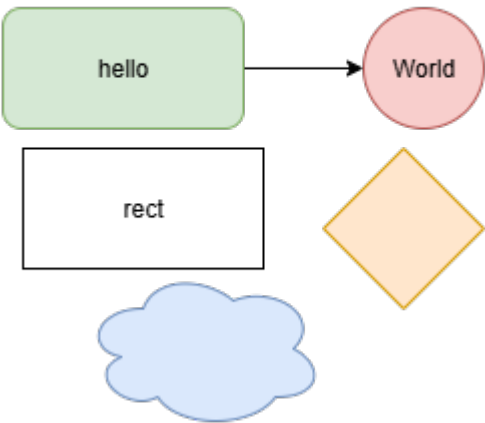

Insert images:

Embed videos:

<https://www.youtube.com/embed/cFhEK7S0lpw?si=FHsmHEvpYO0QF7Ls>

Add custom code
This is probably not needed for you
but they can be used to quickly copy text as well

Add collapsible blocks

With content inside of it.

You can also add anything above in here like:

tables	again
with	rows
and more	rows

and whatever else you want
